When the weather outside warms up, the kitchen can be a terrible place to be. There are many things you can do however, when it comes to cooking a nice home made meal that doesn't require traditional stove top or oven cooking. Learn to utilize some of the lesser heat producing equipment in your kitchen.

Description $57.99

Boom! Yep, we're crazy. Why would we offer such a killer bag at a monster 55% discount? Well, no one actually gets the deal unless we get 125 of you lucky fools to order one! So share the deal with your crew and lets get this out the door!

Oh ya, and this deal is only going out to those that follow us. You'll notice it's listed at Full Price on our site: http://www.chromeindustries.com/us/en/sentinel That's right, you're getting 55% off, plus Free US Shipping. "This offer is only good in the United States... Read More
